Trustee Nicole Proctor  
Trustee Robert Petralia

ABSENT:

Attorney David Klingebiel

Mayor Carpenter called the public hearing to order and led the pledge of allegiance.

Mayor Carpenter read from the expense lines of the budget.

It was requested by Leona Colvin that the pay rates and hours for the visitors center staff be included on the salaries spreadsheet. Also she would like to see the registrar of vital statistics listed as well, which is Rose Decker.

Some discussion was held as to the amount of fund balance we are carrying and whether we should be increasing the taxes if we have a fund balance, ie should it be being used in lieu of increasing the tax rate? Leona stated that we have never been able to nail down that number (fund balance.)

Mayor Carpenter said that we would have that information available for the public at the next hearing. It was discussed as to what the percentage that should be kept.

Mayor Carpenter also stated that the document that had been requested at the last meeting which would list all of the employees and their salaries and hourly wages was available for review.
