

## **JANUARY 2025 NOTICE**

### ***Village of Schuylerville 2025 Comprehensive Plan Update***

The Village is developing the Village of Schuylerville 2025 Comprehensive Plan Update. This effort will provide a vision for the future and a roadmap for how to achieve that vision. This planning effort will advance strategies to address new priorities in economic development, capital improvements, housing, childcare, transportation, infrastructure, climate resiliency, and recreation. Funds for this update were granted in part through the Hudson River Valley Greenway Communities Grant Program.

***Please Join Us*** for the second public meeting hosted by the Village to present the findings of the 2025 Comprehensive Plan Update. We hope to see you there. ***Your Opinion Matters!***
